Kekaha, Kauai, T. H.

Dear [redacted] STAT

Upon my return from my visit of inspection of the Kauai Bureau, I submitted the correspondence relating to the cost of your hospitalization to the proper authorities in this agency for appropriate action.

You will be interested to know that on 7 January 1949 a memorandum was addressed to the Surgeon General's Office, Department of the Army, Washington 25, D. C., summarizing all that had previously transpired in connection with the hospitalization while in Tokyo and stating that it was the desire of this agency that the Surgeon General's Office review again the bill which you had received, since it was considered that the present charges were clearly excessive. This agency also stated, that should any portion of the claim against you remain, that an effort will be made administratively to contact you and to handle the case to a satisfactory conclusion.

There is nothing for you to do now except await the outcome of this memorandum to the Surgeon General's Office, and I will insure that you will receive all further information.

Yours very truly,

[redacted] STAT
